How we process your data

As part of the HELOA processes we are required to share your data with appropriate individuals within the organisation such as VC (Membership & Administration), HELOA Office Co-ordinator, your Group Chair, group committee, and relevant members of UKC (such as finance/ conference managers). It is recognised that whilst individuals have the option to opt-out of sharing their data, if this option is selected you would be unable to benefit from a HELOA membership, and, will therefore be unable to submit an application.

HELOA has taken the necessary action to ensure access to data is secure and only available to the appropriate members of the HELOA UK Committee. A full processing activity register is available on request from the HELOA Office, this document details: what data we store, where it is stored, what it is used for, who has access and the retention period for each. HELOA uses data storage systems that are GDPR compliant.
