

Group Development Annual Report 2020

This year has been like no other, and the way in which the Group Chairs and committees have dealt with the changes introduced due to COVID, including the introduction of online meetings and budget freezes on group spend, all whilst everyone's day jobs changed beyond recognition, has been remarkable.

The support and guidance provided by HELOA at a group and national level has proved invaluable this year as everyone has had to adapt to the huge changes in the sector during the pandemic. This can be seen in the increase across the majority of groups in terms of attendance at online meetings. This can be attributed to the platform being accessible for more members, without the need to travel to venues for group meetings, but also the support of groups in these uncertain times has been crucial.

Despite everything changing and even if certain events couldn't go ahead as originally planned, such as full day training events, groups were quick to implement changes to ensure the content wasn't lost, so some groups held training sessions over a number of weeks, some over a period of a week and others introduced additional virtual sessions to chat over lunch.

Although group spend was put on hold during the pandemic, due to a decrease in revenue from events, groups still managed to provide a great range of activity for members*, utilising expertise from across the membership and the wider sector, which can be seen in the group reports.

The innovative mentoring scheme created by the North West & Northern Ireland group and also adopted by the Scotland group is proving to be extremely beneficial for members. The aim is to roll the scheme out to all groups during 2021. NW & NI group have already worked with SW & SE, Anglia and Wales groups this year to help them to develop their own mentoring programmes going forward.

The training spreadsheet created by the training team, which contains all training information in one place, continues to be extremely useful for groups to consult before booking training for their group. In addition to this, I would like to solidify the approach needed when booking

training for groups, in terms of a flowchart of who to contact, e.g. training/partnership/finance etc. prior to making a booking and who makes the final decision on whether a booking can be made. This should make things easier and quicker for group chairs/VCs when considering potential training providers.

Myself and Dawn from the HELOA office are currently in discussions regarding the groups' needs in order to comply with GDPR. We are looking at various options at the moment and this will continue in more detail in 2021.

I would like to thank Ali Clark who stepped down from her group chair role during 2020. Ali made a fantastic impact on group activity in HELOA Scotland and she will be missed. Thank you for all your hard work and dedication. Thanks also to Grant Cullen for taking on the role of group chair in Scotland and Jen Barton for taking on the role of group chair in the North East, Yorkshire & the Humber. With limited time and having to undertake handovers online, it has certainly been a challenging start to their term!

I would also like to thank Rebecca Bowen for her continued support and hard work as group chair for Wales, again, she will be missed when she steps down in January. Special thanks to Rebecca for acting as our first group chair 'buddy' to HELOA Scotland's Grant. This worked well for both parties and allowed Grant to speak to a more experienced group chair on an informal basis when taking over the role. This will be something we will roll out to other groups as new group chairs come into post, to hopefully make the transition less daunting. I must also mention the hard work Rebecca and others put in to the Study in Wales virtual events this year. As Rebecca stands down after AGM, we look forward to welcoming her replacement Andy Jackson into the role in 2021.

Also, I would like to thank both Rebecca Oliver and Rachel Cox for continuing their term as group chair for longer than expected due to a lack of applications for the roles when advertised. It can always be a struggle to fill committee roles, for various reasons, but understandably this year may have put members off applying due to increases in workloads in the 'day job'. I am currently working with group chairs to come up with solutions of how to convert member engagement into applications. The introduction of name blind applications may help with some of the issues we have had in the past and it has already worked well for group committee roles for Wales and NW & NI where 3 applications were received for both, whereas the majority of roles last year were uncontested elections.

Thanks also go to Rebecca Robson for her time as group chair for London, I wish her all the best with her imminent arrival in the new year and hope she enjoys her maternity leave to the full! We hope to see you back in the HELOA family once you return.

As there will shortly be three group chair positions going out for election, I would like to engage with the relevant groups at their forthcoming group meetings to encourage applications and to hopefully dispel any fears about the workload of the roles. With regard to the Training/Partnerships committee roles, there were some variations of the role title in some groups, so after discussion with all group chairs we have now streamlined all the titles to VC Training & Partnerships, to allow the post holder to get involved in both areas. Even though it is likely that training will be the most predominant part of the role, it allows some variation within the role by having the partnership element included.

Finally, I would like to recognise and thank all group chairs and committees for their amazing support and guidance to members through the changing landscape of 2020. You have all shown tremendous resilience and dedication to ensure members have remained engaged and supported throughout this uncertain time. It is a pleasure to work with all of you and I look forward to 2021 and all that it may bring!

Challenges

As with many things this year, it has been challenging moving our meetings online. Sharing details about how our teams have adapted has been great though and we're working towards including more training for future meetings.

Special Mentions

A huge thank you to Scott Knight at UEA who finished in his Vice Chair (Training) role this summer. Scott was on the committee for three years and made a huge difference to the group - including co-organising our first Anglia overnight conference and planning a wide variety of training sessions for us. We'll hugely miss you on the committee Scott!

Challenges

We have historically struggled with attendance numbers, especially for a group with a large number of members. Having moved meetings to a virtual platform we have found that engagement with members has improved.

It took a year to fill the VC: Membership and Communication role so we were a person down on the committee for a long while. We are now recruiting for 3 roles at the same time which may also present challenges.

Other meetings

In addition to the Group meetings, we have held 6 smaller informal sessions during 2020 for members to chat over a virtual lunch. These sessions have been well received and have been a welcome replacement for not being able to catch up whilst at events across the region.

The conversations have been valuable as members don't have the opportunity to have an informal chat at Group meetings for an hour because of time restrictions.

Challenges

New committee members - handing over virtually and getting re-acquainted as a new committee without being able to meet physically.

Virtual meetings having to become the new norm.

Special Mentions

Thank you to our outgoing chair Amanda Kenningley for being a great chair and supporting me to take over as chair. Thanks to the committee for being so supportive and to Marica for taking on the role of membership and administration and contributing so much from the outset. Also, a big thank you to Chris Morley who has continued in his role as representative on the HELOA UCAS working group. A big thank you also goes to the members who have been doing a great job adjusting to the virtual world of working!

Publications/Events (if any)

- Mentoring programme for 20/21 launched - currently 36 people registered an interest, 15 ongoing partnerships and 7 concluded relationships.

- Jamie and Chris also collaborated with SW&SE, Anglia, and Wales groups to develop their own mentoring programmes going forward.
- NW&NI Practitioners Guide to working in HE booklet due for release in early 2021 - all articles now received and currently in the design process as a PDF. This will be sent out to all members and attached to Dawn's new HELOA Member email from early 2021.
- UniConnect@home - ran by Merseyside Uniconnect Hub Shaping Futures in June with support from HELOA NW&NI to promote to our institutional members to take part in a week-long programme of virtual events and sessions. 12 out of the 17 NW&NI institutions were involved.
- November - Introduction to HELOA session for members of NW&NI for 1 year or less
- November - UCAS Working group input session for our group rep to gather feedback before the next UCAS working group meeting

Challenges

- Unavoidable smaller group budget than normal, meaning we had to be creative and clever in terms of our speakers - actually proved a huge benefit with more HELOA members running best practise sessions which gained regular positive feedback.
- Attendees - disappointed with the number of attendees virtually compared to how many we would get physically - our group has feedback on how much they like to meet physically - day out of the office, chance to catch up and network face to face. Virtual fatigue creeping in!
- Two VC Training & Partnership committee members left in 2020 due to other commitments and new employment - both only had short time in the roles with little impact on projects. More stable going into 2021 with Ben and the new VC set to join at the end of November.

Special Mentions

Ellie Wharfe for her continued time, effort, communication, knowledge, providing members with regular opportunities to feedback and representing our group so fantastically in the UCAS working group.

Ben Kibble-Smith & Jamie Graney for their effort, commitment, and enthusiasm for pulling together an informative, engaging, and interesting programme of events for the year, on top of week to week HELOA admin. Even more impressive considering the current situation and extra workloads.

All NW&NI Members for continuing to engage, contribute and collaborate throughout the year with us as a committee in our new virtual world!

Challenges - haven't formally invited call for nominations yet due to Covid but no expressions of interest in vacant VC Training and Partnerships role which has been plugged since the 2019 Christmas Conference in December.

Special Mentions - Lindsey Blake for her role as VC Membership and Communications. She has been a fantastic support to me, and I don't know what I would have done without her! Especially as the VC Training and Partnerships role is vacant so there has been more pressure to cover this side of things too.

Fred Binley for his excellent work in his role as the SE HELOA/UCAS WG rep. He has worked tirelessly in ensuring the views of our members are heard by UCAS, especially during the virtual events season which has resulted in a lot of concerns from members.

Joint South West & South East Mentoring Scheme Launch - October 2020

Special thanks to Jamie Grainey (Liverpool) & Chris Mullen (Edge Hill) from the North West & Northern Ireland group who shared their experiences of running a successful mentoring scheme in their group. We will be launching this in collaboration with the South East group in 2021.

Challenges

Unable to recruit a successor for the South West Chair Post, will open up nominations again in January 2021.

Special Mentions

We would like to thank JJ Clark, outgoing Vice Chair of Training for all his hard work in post.

Finance

HELOA UK provides a funding pot that group chairs can bid on to support regional activity. In 2020 the South West Group have not spent any funds due to the pandemic and movement of our activity online.

Future Plans

Dates for 2021 Group Meetings: TBC pending successful appointment of SW chair

Publications/Events

- 'Study in Wales' Virtual Fair - 4 September
- 'Study in Wales' Virtual Fair - 3 December
- Delivered a collaborative Welsh language 'Preparing for Results Day' webinar in partnership with UniTasterDays - 12 August

Challenges

- Current committee (including incoming Group Chair) are all based at the same institution.
- Current Vice-chair (Membership and Communications) term ends in February and this is often a difficult role to fill.

Special Mentions

A huge thank-you to Group Vice-chairs Alex and Katie for their continued hard work. Thanks also to Llinos for her invaluable contribution to the UCAS Working Group on behalf of HELOA Cymru | Wales, and a special thanks this year for ensuring that member views have been shared, during a particularly challenging and contentious period.

A big thanks must also go to all members of the Virtual Fair Working Group, for their contribution to the planning and delivery of two successful online events, and for working collaboratively to deliver an opportunity for students, teachers, advisers, parents and carers to engage with higher education at a challenging and unsettling time.

Finally, as I near the end of my time as Group Chair, I'd like to thank all members who have engaged with group and national activities - without you, there is no HELOA. Diolch yn fawr iawn!

Finance

HELOA UK provides a funding pot that group chairs can bid on to support group activity. In 2020, the HELOA Cymru | Wales Group did not spend any funds allocated. However, HELOA UK covered the initial cost of both 'Study in Wales' virtual events (£5,725 x 2) and participating were invoiced for their share of the cost. I would like to add my thanks to the HELOA Finance Team for authorising and arranging this.

Future Plans

- Implement Mentoring Scheme
- Expand membership to include HEFCW Reaching Wider Partnership staff
- Deliver biennial training event
- Improve engagement with relevant organisations, e.g., Seren Network

Dates for 2021 Group Meetings:

15 January - Online

21 May - Online
