

Building and encouraging teams engaged in the sector

Edit Liebhardt

Regional Recruitment and Access Manager

HELOA National Conference

Friday 13 Jan 2023

AGENDA

- Why this session
- Problems
- What we tried
- What will you do?

Starter Discussion

**WHAT WOULD YOU LIKE TO
GET OUT OF TODAY'S
SESSION?
WHY ARE YOU HERE?**

INITIAL PROBLEMS

- Lack of knowledge of University/Campus
- Lack knowledge of central team and vice versa
 - “What do you guys do?” “You never collaborate!” “Oh you didn’t know?”
- Different ways of working develop
- Isolation of individual
- Limiting factors: Time, budget, size of team, position, etc

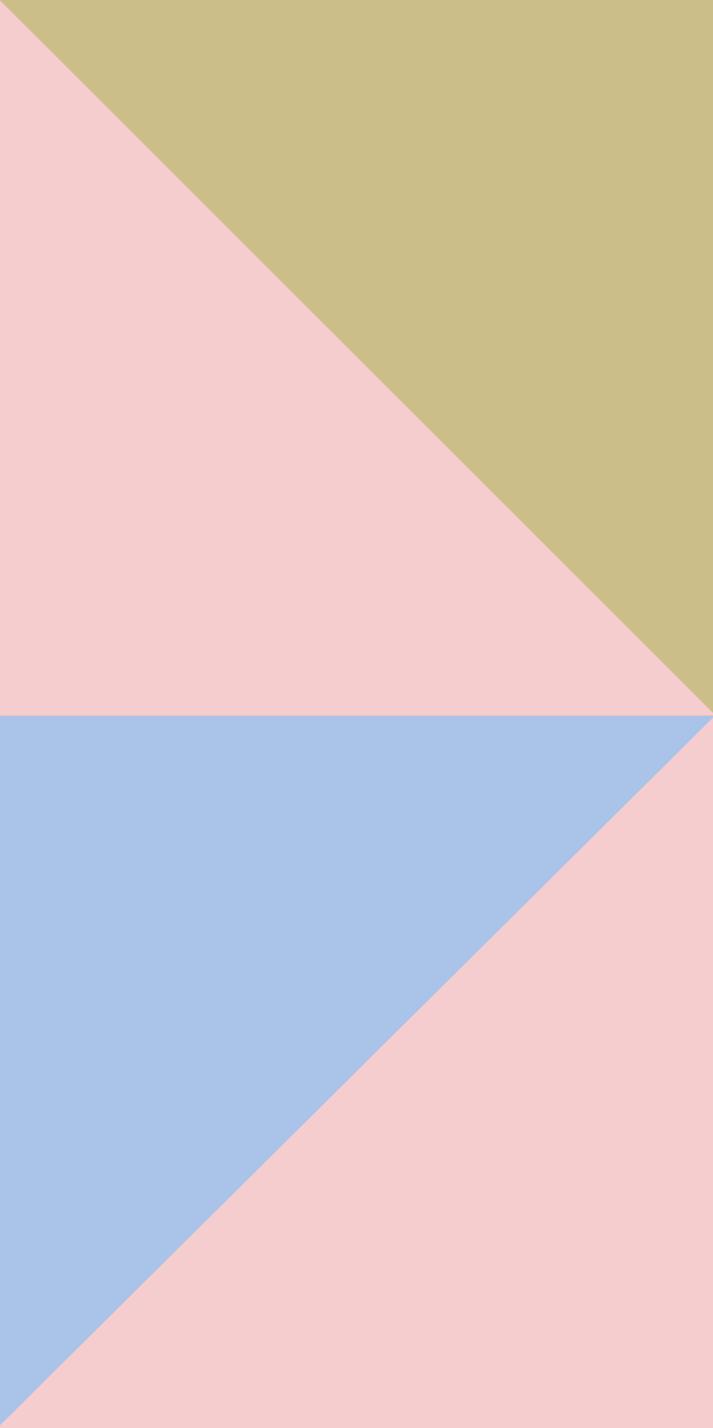

Discussion

**WHAT IS YOUR BIGGEST
CONCERN/ WORRY/
DIFFICULTY TO OVERCOME?**

WHAT WE TRIED

- Start on campus
- Home working environment
- Catch ups
- Joint projects
- Socialise and train together

WHAT WE TRIED

START ON CAMPUS

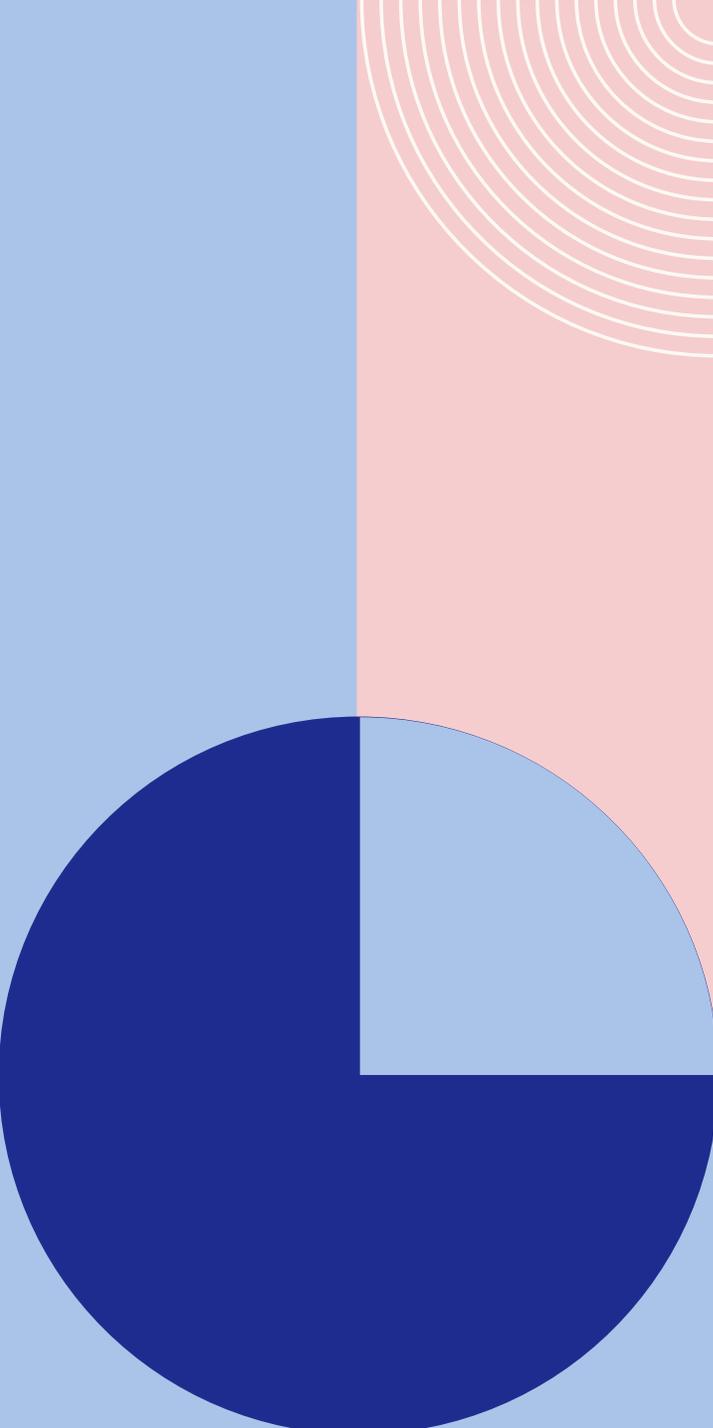

- First week of each employee on campus
 - Get to know central team, the university and the campus
 - Builds connection to institution
- Twice a week 3-5days on campus as a whole day
 - Networking and relationship building
 - Off hand conversations
 - Sub-team meeting to discuss projects
 - If possible merged with team days

WHAT WE TRIED

GOOD WORKING

ENVIRONMENT

- Regional team as well looked after at home as central in office
- Particularly comms equipment - headphones
- A desk when in offices
- Budget permitting

WHAT WE TRIED

CATCH UPS

- 1-1's – as manager get to know in role specific difficulties
- Sub-team – share best practise and updates
 - Invite individuals or sub teams to share work
 - Find opportunities to collaborate
- Wider team meeting – wider updates
 - Reinforce processes
 - Knowledge transfer

WHAT WE TRIED

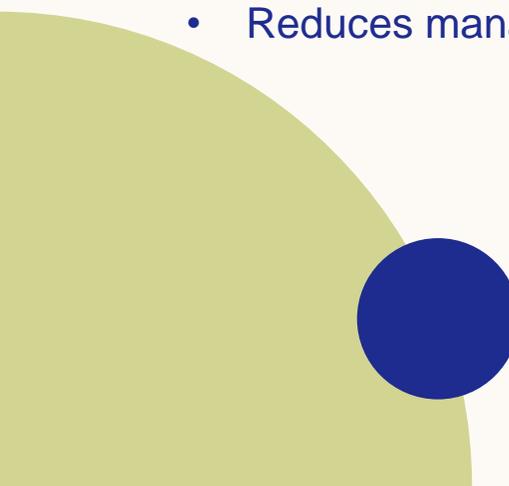

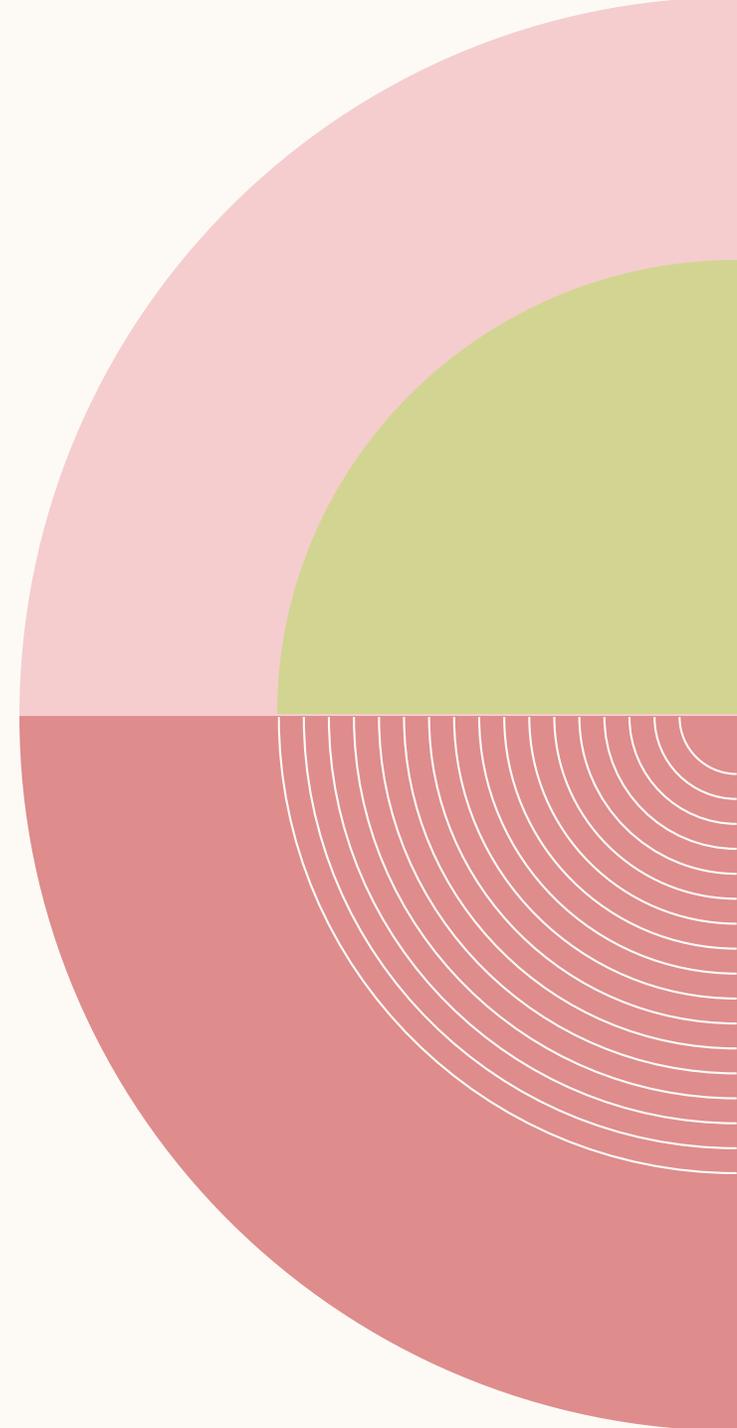

SOCIALISE AND TRAIN TOGETHER

- Shared experiences
- During time on campus or special time set aside
- Mini team and wider team
- Nurture relationships in regional team and central team
- Break down communication walls
- Organised or spontaneous – even lunch

WHAT WE TRIED

JOINT PROJECTS

- Learn to rely on each other and trust each other
- Work with other managers to see where links might be useful
- Individual build working relationships and discuss day to day issues
- Working practises align
- Builds links within teams and contribute to wider goals
- Reduces manager admin/ updates/ micro management

Discussion

**WHAT WOULD HELP? WHAT
HAS HELPED YOUR TEAM?**

WHAT WILL YOU TAKE AWAY?

MY GOLDEN RULES

- Communicate
- Build community
- Collaborate
- Thank and ask for help

- For me: Coaching skills
