

QUIZ SESSION

Students *expect* more than {Dear FirstName}

Think your marketing approach is personalised?
This interactive quiz will put that to the test.

Nathan Monk

Co-founder, Prospectus Plus

UCAS X PROSPECTUS PLUS

93% of students expressed a preference for personalised content, with 55% rating it as “highly valuable” when it related directly to their intended course or subject area.

Personalisation in UK University Prospectuses (2025)

<https://prospectus.plus/prospectus-research-2025-report/>

What percentage of users are willing to hand over their personal data for a personalised experience?

_____ rated their interactions with advisers as "excellent" or "good,"

Satisfaction with the information gathered at UCAS Discovery _____ after the event

24

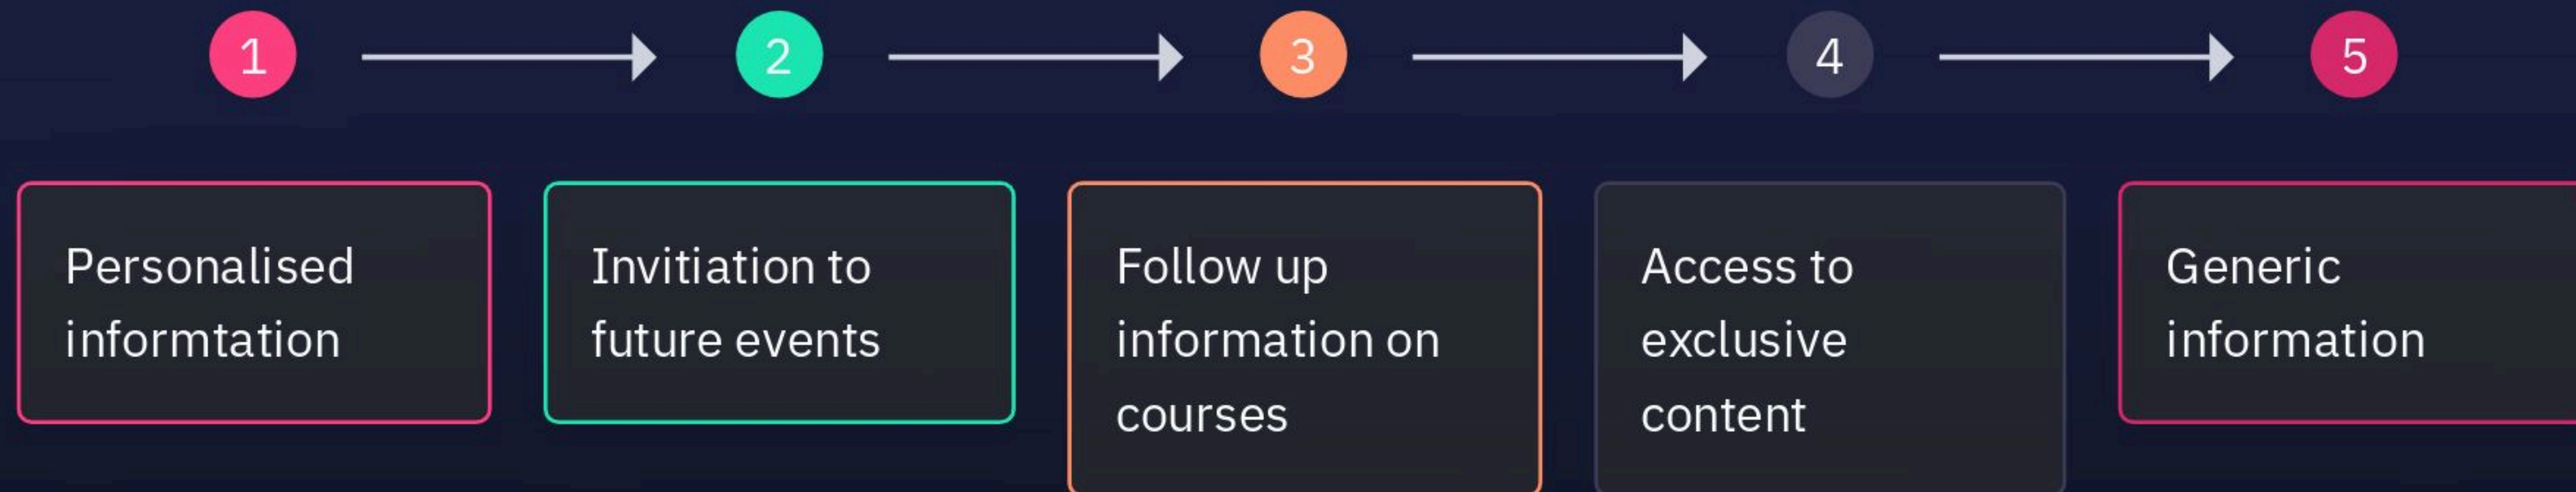

✗ Increased

4

✓ Decreased

What do students expect in return for providing your contact information?

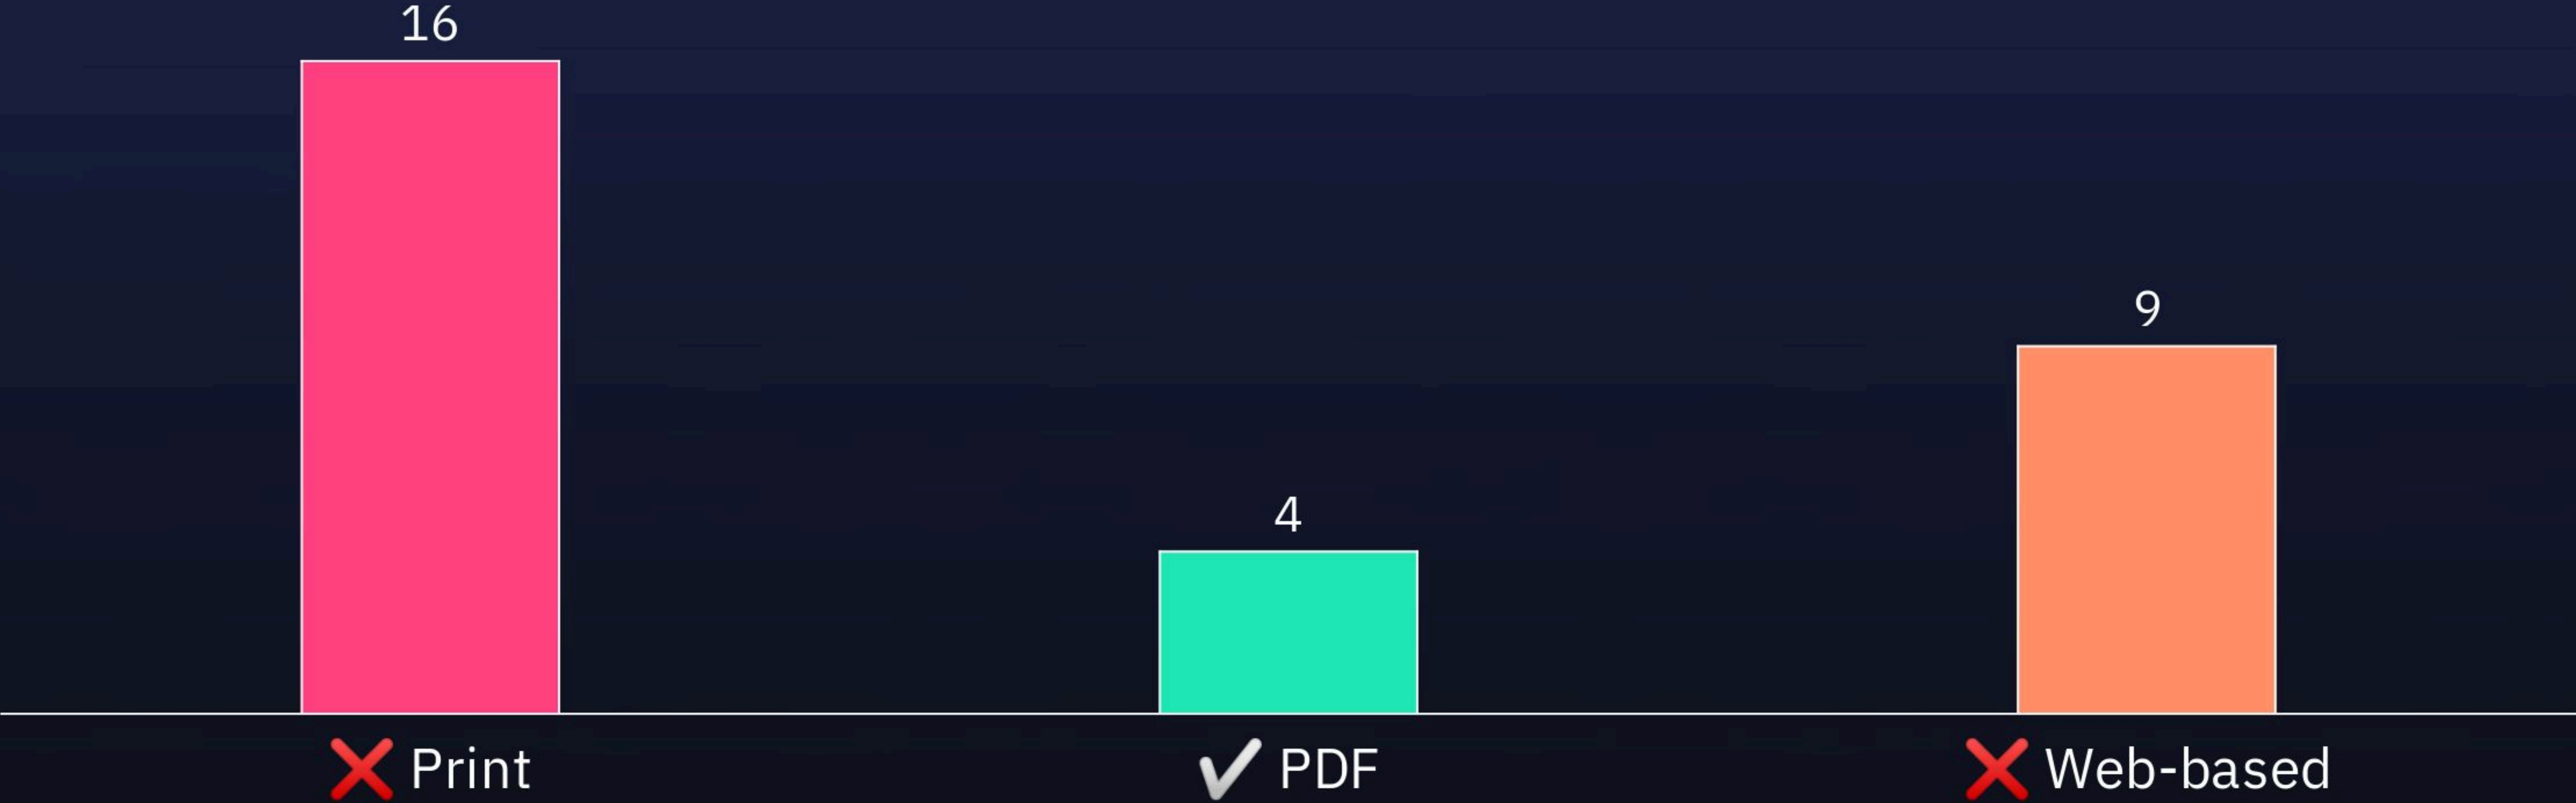

3 | 26

Most students prefer a highly personalised digital prospectus over a printed one.

What was the dominant prospectus format in 2025?

According to the Prospectus Plus 2025 prospectus study, what was the year-on-year growth in usage of digital prospectuses?

How many UK prospectuses are personalised to the reader?

How Prospectus Plus is using Personalisation

- Wayfinder - allows you to define a set of discovery questions for your audience and segment users quickly.
- Advanced Personalisation - Go deeper and individualise prospectus content to specific user interests.
- Print-on-Demand - We give advisors powerful tools to excel in physical interactions. Provide personalised printed merchandise to prospects in real-time.
