# Ways of working

## How the team adapted...

- Tried different platforms within the team
- Working groups on projects outside of JD
- MULTIPLE Microsoft Team chats !
- Less WhatsApp group messages
- Working 9-5...
- 50-minute meetings

UNIVERSITY OF  
LEICESTER

 Oliver Rossetti

Hello, welcome to the Chemistry room. I'm Oliver, Student Recruitment Officer for the University of Leicester. If you have any questions, you have myself and colleagues and current students from the Chemistry department who can help answer any particular questions you may have. :)

## Summer School

# Digital Summer School

- July 2020 (Week A / Week B)
- Not re-inventing the wheel
- Using last year's application form: a tale of woe
- Sutton Trust Online...?
- 3 week website
- Delivery
- Social Media
- Feedback

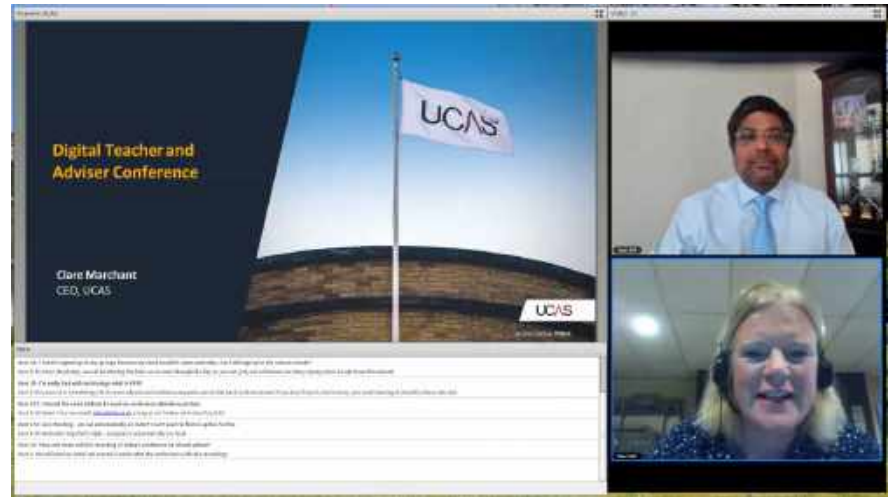

Day5: Summer schools ending :( By far the best experience I've ever had in summer 😭 Made some good friends and enhanced loads of skills ! Thank you so much to @LeicesterFSO for putting on a range of activities to help me develop in various aspects & getting me prepared for uni 💖

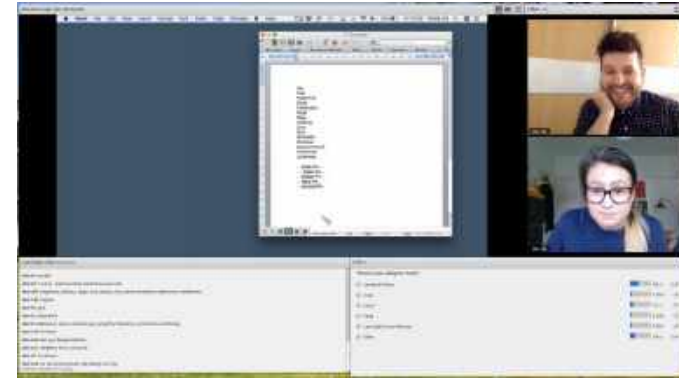

## Teachers & Advisers Conference

- Adobe Connect - trialed many platforms!
- VC welcome, UCAS keynote, peer-to-peer followed by sessions on tech, mindfulness (lunchtime), subject breakouts, family quiz
- 280+ bookings / 170+ attended
- 87% scored 7+ out of 10 (97% for the UCAS Keynote)
- *“Pretty much seamlessly run - congratulations - the best of its type that I have experienced”*

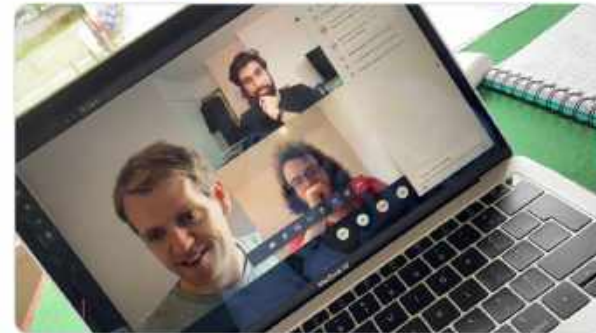

## Online live delivery – lessons learnt

- *“Felt a bit long to be sat in front of the computer! I don't think the virtual day needed to be as long as the actual event would have been.”*
- Chose the right platform for the job and test, test, test! (It will go wrong though! 😊)
- Don't be afraid of it being 'rough and ready'
- Digital inclusion – insights from Sutton Trust

Last seminar of the day already! Am I a nerd for being kind of sad 😊😊 @LeicesterFSO
